

The GHEITI Secretariat is organizing the Second Sensitisation Workshop for Communities in the Oil and Gas Catchment Area from **5th -7th July, 2012** in **Axim at the Axim Beach Hotel, Western Region.**

The workshops will provide an opportunity to extensively engage communities within the catchment areas in the Nzema East and the Ellembelle districts of the Western Region on the principles of EITI, the relevance of Ghana EITI in promoting accountable governance and role of communities, and on the GHEITI Oil/Gas Reporting Templates. The workshop will create the necessary EITI awareness in the communities in preparation for future engagements with the 2010-2011 GHEITI Audit Reports which are expected later this year.
